

JK ENGINEERING WORKS

jk-engineeringworks.com

About Us

The company was founded by Mr. K.D. Anto, a skilled submersible welder, who turned his hard work and determination into a growing enterprise. Founded in 1991 in Kerala, JK Engineering Works is a trusted name in the field of Pre-Engineered Buildings (PEB), including warehouses and prefabricated structures. With over three decades of experience, we have built a strong reputation for delivering urgent and complex industrial projects with precision and dedication.
